Dear Sir or Madam:

Pursuant to 37 C.F.R. 1.114 Applicant submits the following arguments:

Response to Examiner's Response to Goodwin Arguments

This is written to respond to the Examiner's Final Office Action section entitled "Response to Arguments" dated January 7, 2005. The Examiner apparently misunderstood the Applicant's arguments made in response to the first office action dated May 7, 2004. In the Applicant's invention, the record form is displayed on a client system. Data is entered on the record form and the record form is sent to the server system with the unique client identifier (Claim 1(e)). Then within that server system, the record with the data and the unique client identifier is stored in a segregated data base - keyed to the client identifier - and once entered the record thereafter cannot
